Support Cancer Care this Christmas Season Funds raised will support cancer patients in our province

St. John's, NL: The **Dr. H. Bliss Murphy Cancer Care Foundation** will officially 'unwrap' the 2014 Christmas Card Campaign today entitled "*A Traditional Newfoundland Christmas*." Funds raised help cancer patients throughout Newfoundland and Labrador.

Jennifer Yetman, Development Officer at the Foundation says, "We are really excited that our Christmas cards are back this year, featuring two photos which depict a true sense of "*A Traditional Newfoundland Christmas*". The Foundation is pleased to offer our corporate supporters the opportunity to personalize their cards by imprinting their logos. It's a great way for them to show their employees and clients their philanthropic spirit during this season of giving."

"We encourage all Newfoundlanders and Labradorians, as well as those living away from home to Support Cancer Care this upcoming Christmas season. By doing so, they will assist the Foundation in raising funds for cancer treatment equipment, regional cancer centres and supportive care programs throughout the province. We are proud to say that every dollar raised stays in the province."

Cards may be purchased at various retail outlets throughout the province as well as at the Foundation office. Available in packages of 10 for \$12.50. You can contact the Foundation office at 777-7589, or visit the website: www.cancercarefoundation.nl.ca
