This tournament, organized by volunteers from the community of Calvert, is an event where current and past residents of the community are invited to play in support of the Dr. H. It’s a shining example of how small communities pull together to support something that important to them – it’s a part of who we are as Newfoundlanders and Labradorians,” says Lynette Hillier, Executive Director “Cancer remains the leading cause of death in Canada and their support enables us to be able to help cancer patients and their families from every community in Newfoundland and Labrador. Whether it is with the latest in cancer treatment technology to helping with the cost of gas to drive for cancer treatment through our Patient and Family Support Fund – our goal is to be able to support these families on their cancer journey.”

“Our thanks to all of our sponsors, golfers and social participants for helping us make the 5<sup>th</sup> Annual Calvert Masters such a success! It’s such a unique event for those of us who grew up or currently live in Calvert to come together and support Cancer Care – and have such a fun time doing it!”, says Tim Murphy a member of the organizing committee
