***The Power of Life Project* donates much needed equipment to the Chemotherapy Room at Carbonear General Hospital**

Carbonear, NL: Newfoundland Power employees in the Carbonear area have donated an Automatic Blood Pressure Monitor to the Chemotherapy Room at Carbonear General Hospital on behalf of ***The Power of Life Project***. This investment, worth over \$4,000, comes as a result of fundraising efforts by Newfoundland Power employees and retirees in the area.

"We're proud to be able to make this significant contribution on behalf of our employees, retirees, customers, and partners" says Jocelyn Perry, Vice President, Finance & Chief Financial Officer with Newfoundland Power. "Enhancing cancer treatment facilities in Newfoundland and Labrador has been an ongoing goal for *The Power of Life Project* and today we are happy to help patients in Carbonear and the surrounding area."

Lynette Hillier, Executive Director of the Cancer Care Foundation, says, "We are proud to join with Newfoundland Power in presenting this equipment to the Chemotherapy Room here in Carbonear. As a Foundation we have been overwhelmed by support from the partners in *The Power of Life Project*. We thank Newfoundland Power and the dedication of their employees and retirees in the Carbonear area for their continued commitment to enhancing the lives of those living with cancer in our province."

The Power of Life Project is a partnership between Newfoundland Power and the Dr. H. Bliss Murphy Cancer Care Foundation. The Project raises funds for cancer treatment equipment and support programs while promoting early detection and cancer screening through education and awareness programs. Since 2002 they have donated in excess of \$2.5 million and helped many lives change for the better.

The Dr. H. Bliss Murphy Cancer Care Foundation raises funds for treatment and supportive care programs for cancer patients, funds local cancer research initiatives and provides continuing education opportunities for staff of the Dr. H. Bliss Murphy Cancer Centre and affiliated cancer programs in Newfoundland and Labrador.
